STUDENT LIFE

Spirit Soars!

It wasn't until this year that the students and faculty of J.V. finally proved that they were 100% behind the Falcons! As the year progressed, the spirit soared to a point of where it couldn't have been higher!

It all began after the Varsity football team won their first victory over Cy-Fair, 10-6. This was all it took to ignite the spirit of the students and faculty.

With both confidence and spirit high, students began hanging more posters and attending more games; only not just for the football team, but for the Falcons! The commons and halls were filled with signs and posters supporting swimming, tennis, football, basketball, track, and more. It appeared that everyone had finally realized that you don't always have to win to be "number one".

a.) Mr. John Hart commemorates JV's victory over Cy-fair with his 10-6 T-shirt. **b.)** Varsity basketball's Henry Kellum dunks the ball to warm up before a game. **c.)** Freshmen Judy Davis, Debby Ford, Carmen Gonzales, Sandra Boren, and Debby Gates "shout it out".

Falcon Spirit Is "Alive"!!

After each game school spirit and pride continued to build with the participation from the student body, faculty, band, twirlers, drill team, and cheerleaders. After a big win over rival Cy-Fair, the spirit grew even more. Pie throwing contest, spirit chains, spirit sticks and skits added to the excitement. To make the Homecoming pep rally different, Elvis Presley (graduate, Carlton Creighton) gave the student body a spectacular show. Although, the Falcons victories were scarce, the spirit never died.

Lorin Thomas Homecoming Queen

The night was warm and windy. Tension filled tha air as everyone waited for the 1978-79 Homecoming Queen to be announced. Bright colors and mums filled the stadium as the Falcons and the Spring Lions were tied at half time 6-6. After a spectacular show from the Gold Dusters and the Falcon Band, the five nominees, Susan Allen, Beth Duughtry, Annette Hadjik, Lorin Thomas and Kelley Turner lined up with their fathers in the center of the field. The suspense was over, Miss Lorin Thomas would reign as queen until October 1979. Lorin was crowned by last years queen Donna Barhorst and received one dozen red roses and a diamond necklace for her victory.

A Yearbook Is a Long Memory

Days of the 77-78 school year came back to life as the 78 "Falcon" yearbook is issued. Eyes glitter with delight as the students and the ex-students look back at the year gone by. Many students sit back and reminisce on last years happenings, while most students run from person to person asking them to sign their book. The yearbook signing party also becomes a get together for the ex-seniors. Many ex-seniors come from various colleges or home to visit with friends and to pick up their last high school yearbook.

Double Vision!

Seen roaming the halls of J.V. everyday are students who are "dead ringers" for one another. These are, of course, J.V.'s many sets of twins. Because there are more than 10 sets of twins who attend J.V. keeping them straight can sometimes be a problem.

Some of J.V.'s twins include Amy and Eve Whitmer, Beth and Nancy Daughtry, Teresa and Tracy Schindler, David and Diane Burnett, Ronald and Donald Dillion, James and Jerry Gates, Ronnie and Donnie Powell, Mark and Lisa Acocella, Janet and Regina Gust, and Sherry and Terry Bodiford. Six of these ten are identical twins, and can vouch for the fact that they are constantly being mistaken for the other. Although they may look alike, each one is in his own way special and unique.

Destruction Fills Last Day

As another school year came to a closing, destruction and vandalism seemed to come with it. The last day of school brought with it trash, fires, and fireworks. In an effort to clean out their lockers, careless students threw old papers and notebooks on the hall floors. Aside from all the trash in the halls, a small fire was started in one of the boys bathrooms and firecrackers were shot off throughout the day. Most of the day was spent taking final exams, but there were breaks given every hour. After exams were finished, students had parties, played cards, or talked with friends. When the bell finally rang at 1:15, school was officially over and summer vacation had begun.

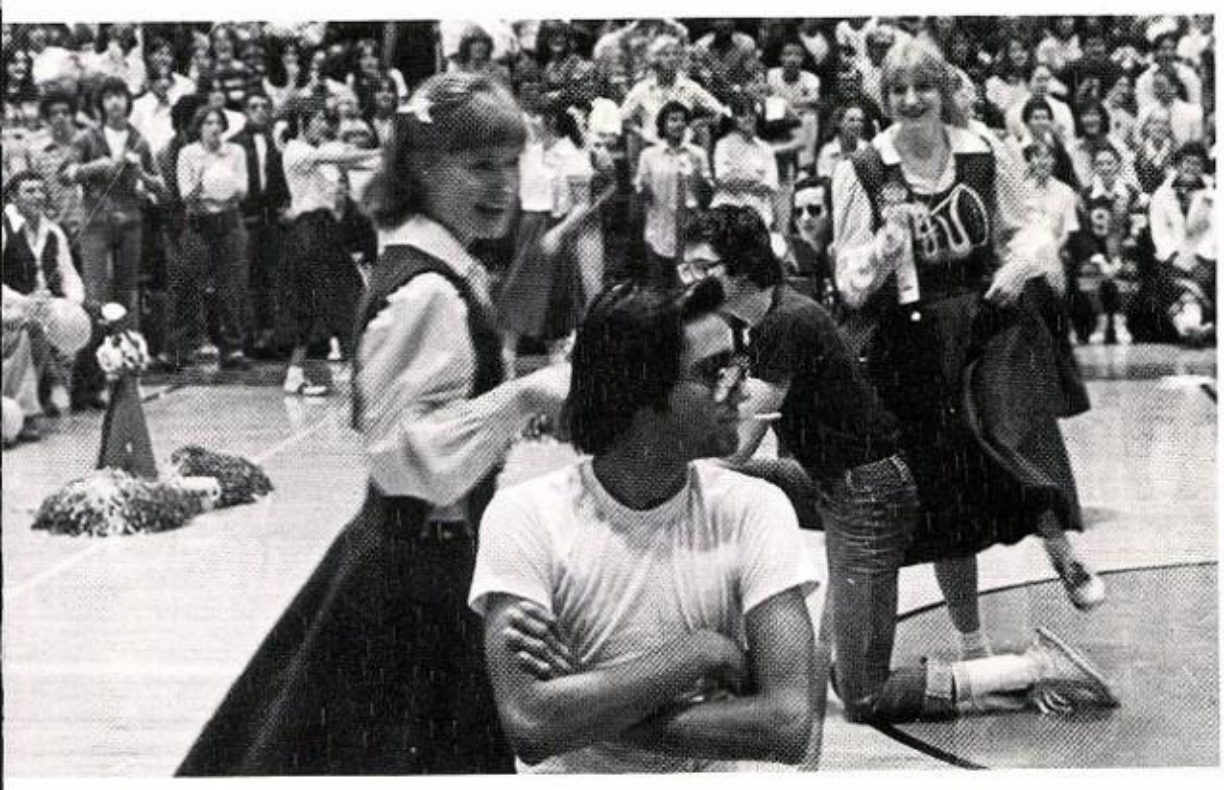
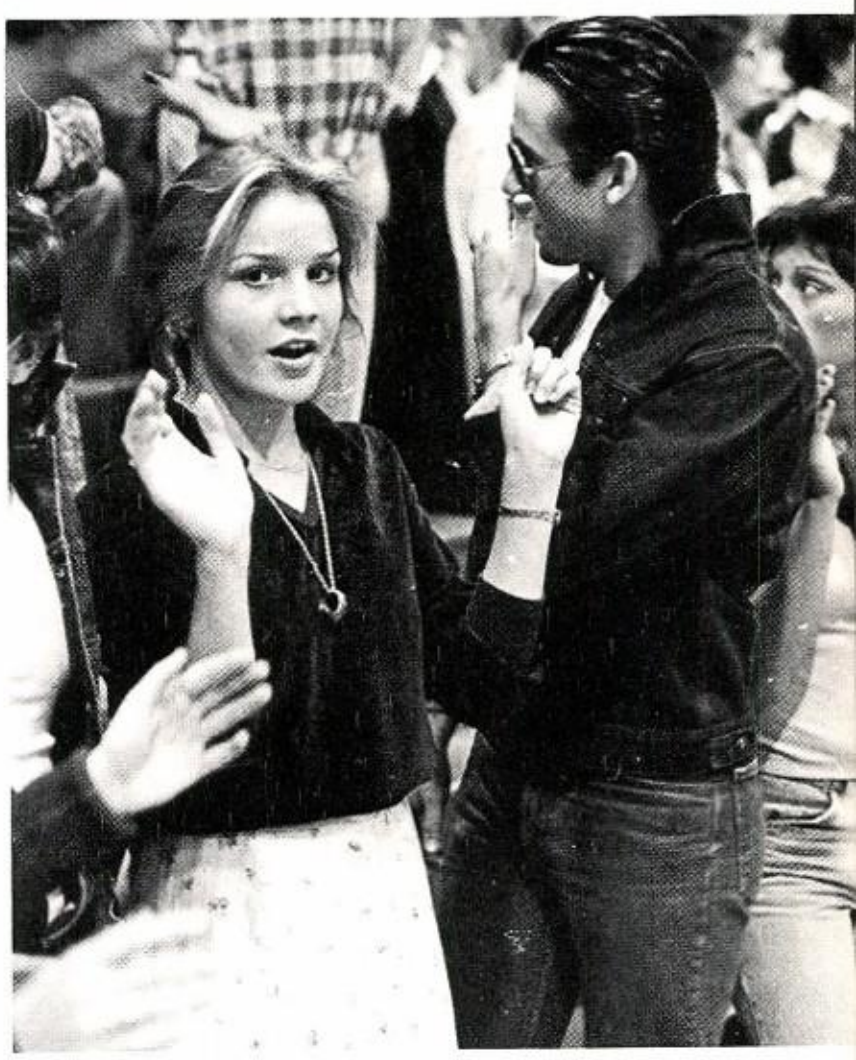
Fabulous 50's Relived at J.V.

One day in October, students at J.V. traveled back to the 50's. Spirited students put on their parent's old poodle skirts and sweaters, rolled up their blue jeans, and slicked back their hair. This resulted in cool looking girls and guys parading through the halls to further school spirit. However, the students were not the only people into the spirit of the occasion! Many of the teachers dressed up in *their* old duds, too! In fact, some of the teachers seemed to be enjoying themselves more than the students! By recreating the 50's, the spirit rose and the attitudes changed in both teachers and students.





a.) Mrs. White and Mrs. Shelton show their spirit by dressing up on 50's day. **b.)** Beth Daughtry, Kenny Terry, Sandra Warmke, and Mike Whitworth dance their hearts out at the pep rally. **c.)** Janna Boze and Joey Davis show their spirit at the pep rally. **d.)** Junior Varsity cheerleaders perform a 50's day cheer.

Hits on the Silver Screen!

Most of this year's best entertainment in movies were serious dramas rather than comedies. Animal House, Foul Play, and Same Time Next Year were all excellent if you wanted to have a good laugh. When it came down to the Oscars, though, these just didn't rate with movies like The Deer Hunter, Coming Home, The Champ, Heaven Can Wait, and The China Syndrome.

For the most part, there was always a wide selection of good movies to see; but getting into them was another problem! If the high prices, $3.75 for adults, didn't stop you then the crowds did. Waiting in long lines became as much a part of going to the movies as buying popcorn. Some faithful movie-goers could be seen standing in line for an hour or more and still not getting in. For those who did, the reward was theirs.

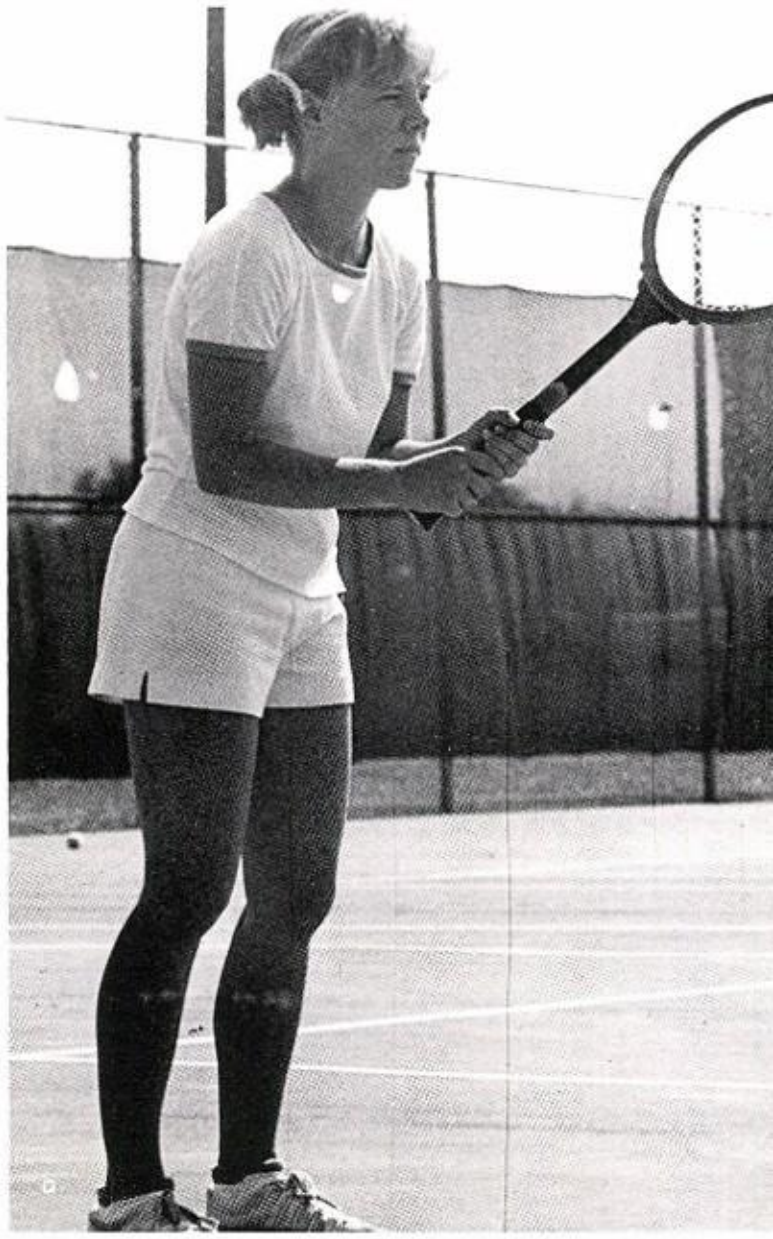
The theatres around town where you were most likely to run into a J.V. student were Town and Country 6, Northwest 4, Loews 3 in Town and Country, and Festival Six.

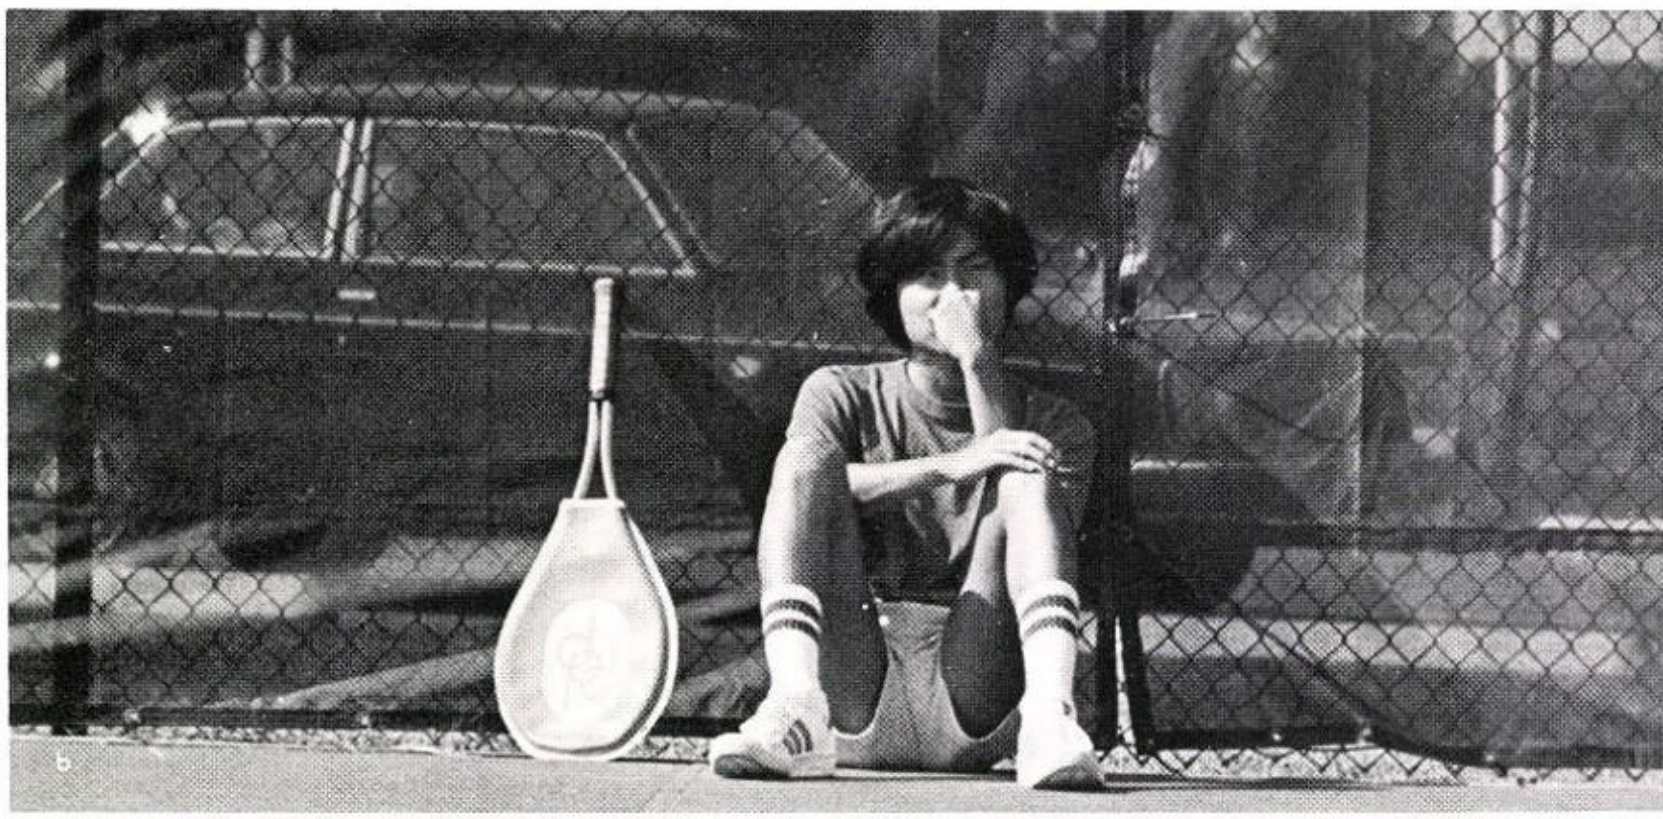
a.) Jon Voight and Ricky Schroeder in their "tear-jerking" movie, The Champ. This is a remake of the movie that made Jackie Cooper famous. **b.)** The lovely Goldie Hawne is pictured here in a scene from her movie with Chevy Chase, Foul Play. **c.)** Julie Christie and Warren Beatty from Heaven Can Wait, which was nominated for 9 academy awards.

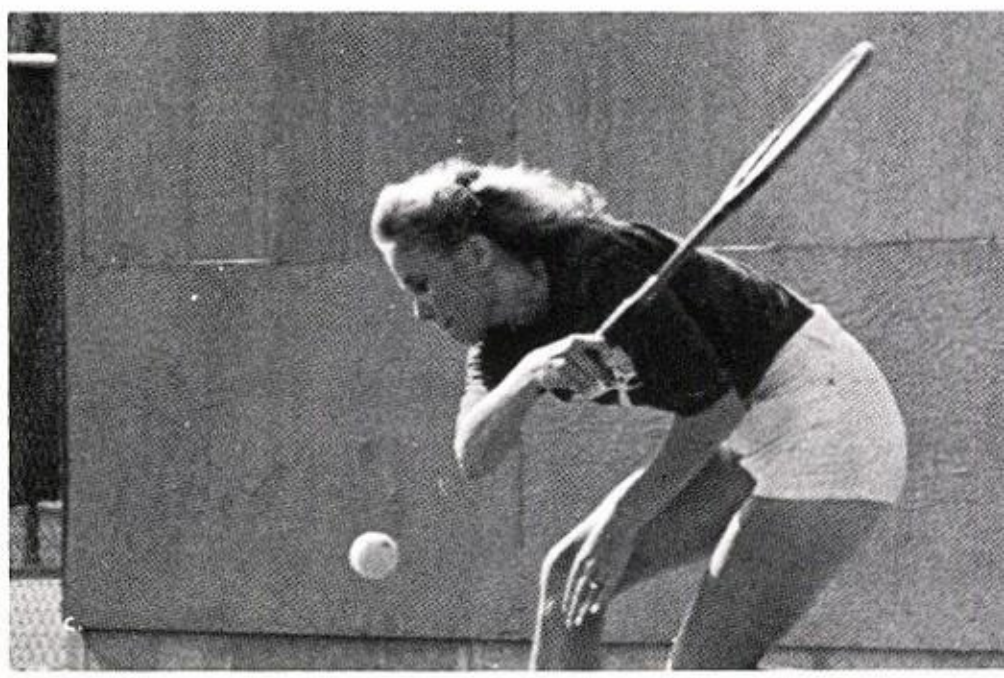
a.) Alan Alda and Ellen Burstyn in Same Time Next Year. **b.)** Robert Deniro in his movie, The Deer Hunter, which won an Academy Award for best picture. **c.)** Christopher Reeves and Margot Kidder from Superman. **d.)** Jane Fonda and Jon Voight from their Oscar winning performances in Coming Home.

Truitt Loses Winning Streak

Once again the Student/Faculty tennis tournament was a big success. Doubles teams, which were made up of one student and one member of the faculty of the opposite sex, competed against each other until the top two teams emerged. The final match was played between the team of Beth Hazlewood and Mr. Truitt and the team of Brett Westphal and Mrs. Ingalls. When it was all over, the team of Westphal/Ingalls were declared the winners. Consolation went to Richard Seu and Miss Woodard. Not only did the tournament provide friendly competition for the teams, but it also provided a lot of fun for everyone.







a.) Lisa Stach patiently awaits for the ball to be served. **b.)** With nothing better to do until his match begins, Richard Seu relaxes and watches another game already in action. **c.)** Beth Hazelwood doesn't give up easily, as she illustrates here while she struggles to reach the ball.

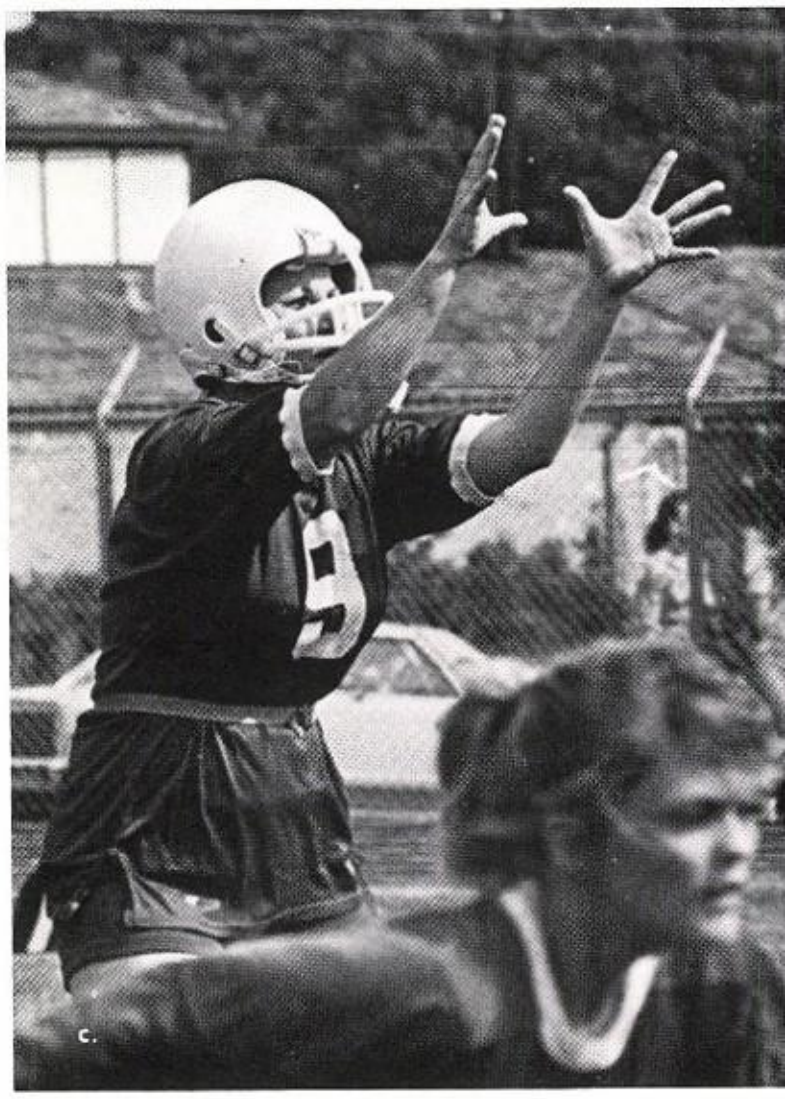
Powderpuff Lacks Excitement!

Once again the Gold-duds were the main attraction of the Powderpuff football game, rather than the players themselves. This grueling four quarter battle, which took place between the cheerleaders and the women faculty, ended in a 0-0 tie. Although the game itself was anything but exciting, the crazy antics of the Gold-duds kept the spectators entertained in between chasing male students, they danced during halftime and led cheers.

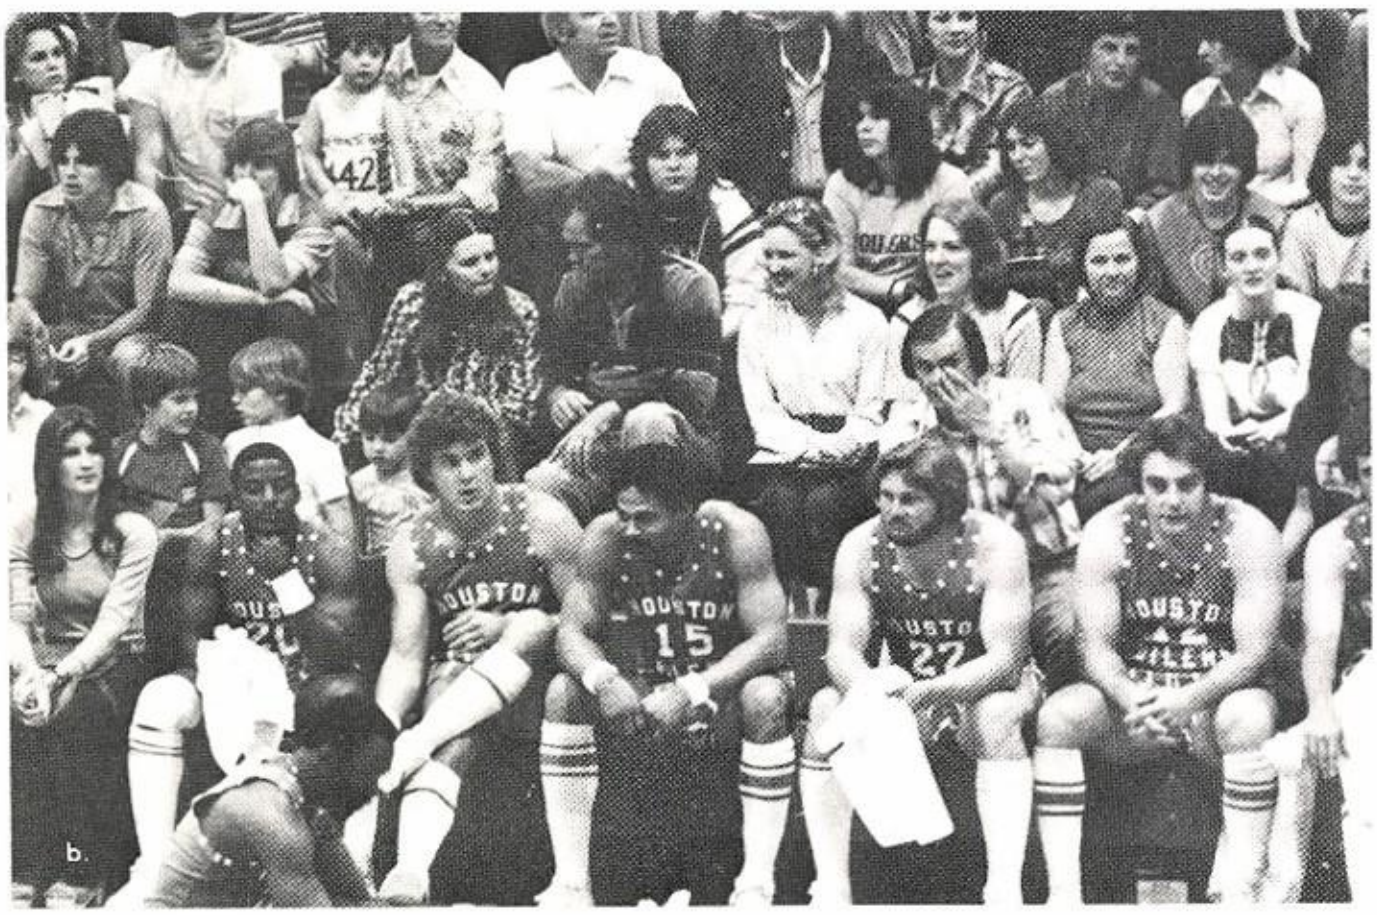


a.) The 1978-79 Gold-duds modestly show off their bett sides. Photographers soon found that it didn't take muc to get these girls to pose! **b.)** During the halftime, th Gold-duds did a dance routine. Here, Donald Frenc and Carey Ford strut their stuff. **c.)** The faculty's quarte back Mrs. Smith prepares to take the snapped ball.

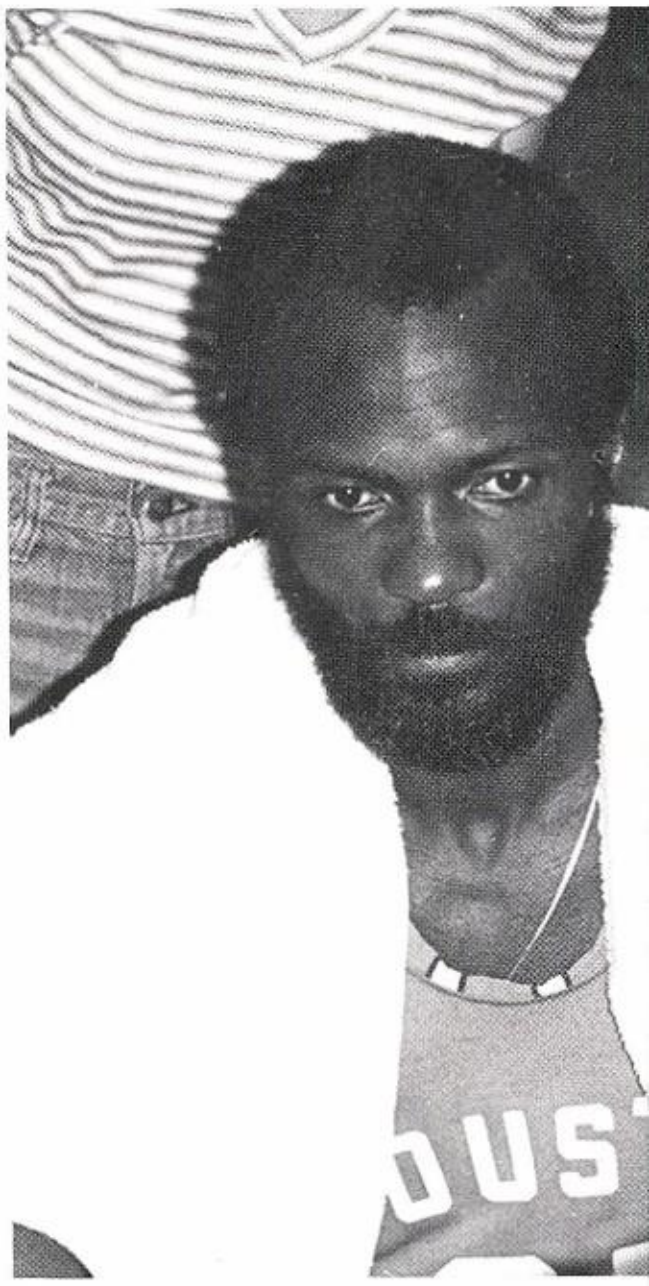
a.) Gold-duds John Vernon, Donald French, and Ripley Mack all had great legs. **b.)** Things sometimes got a little rough, as Terri White clearly shows. **c.)** The Gold-duds in pursuit of a cute guy.

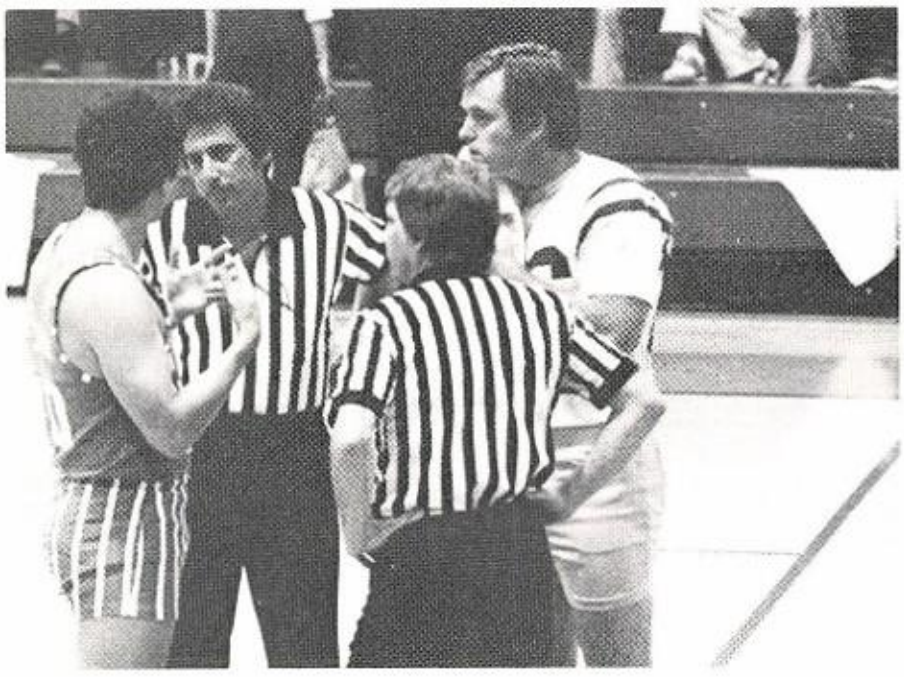
Faculty No Match for Oilers!

Students of JV had a special treat this year when the Houston Oilers football team came and played a group of men faculty in a friendly game of basketball. By the end of the game, however, most of the faculty were probably wishing that they had stayed at home! The Oilers ended up beating the faculty by more than 20 points. Althouh the faculty was trying hard and playing its best game, it was apparent the Oilers were merely toying with them. The game, which was sponsored by the Senior class, also gave the fans a chance to get Oiler autographs during the halftime.



b.





a.) Coach Hall dribbles the ball down the court. **b.)** The Houston Oiler bench waits for the game to begin. **c.)** During halftime, Kenny Burroughs signed autographs. **d.)** Players talk briefly with the referees.

a.) Fashions Travel Back 20 Years

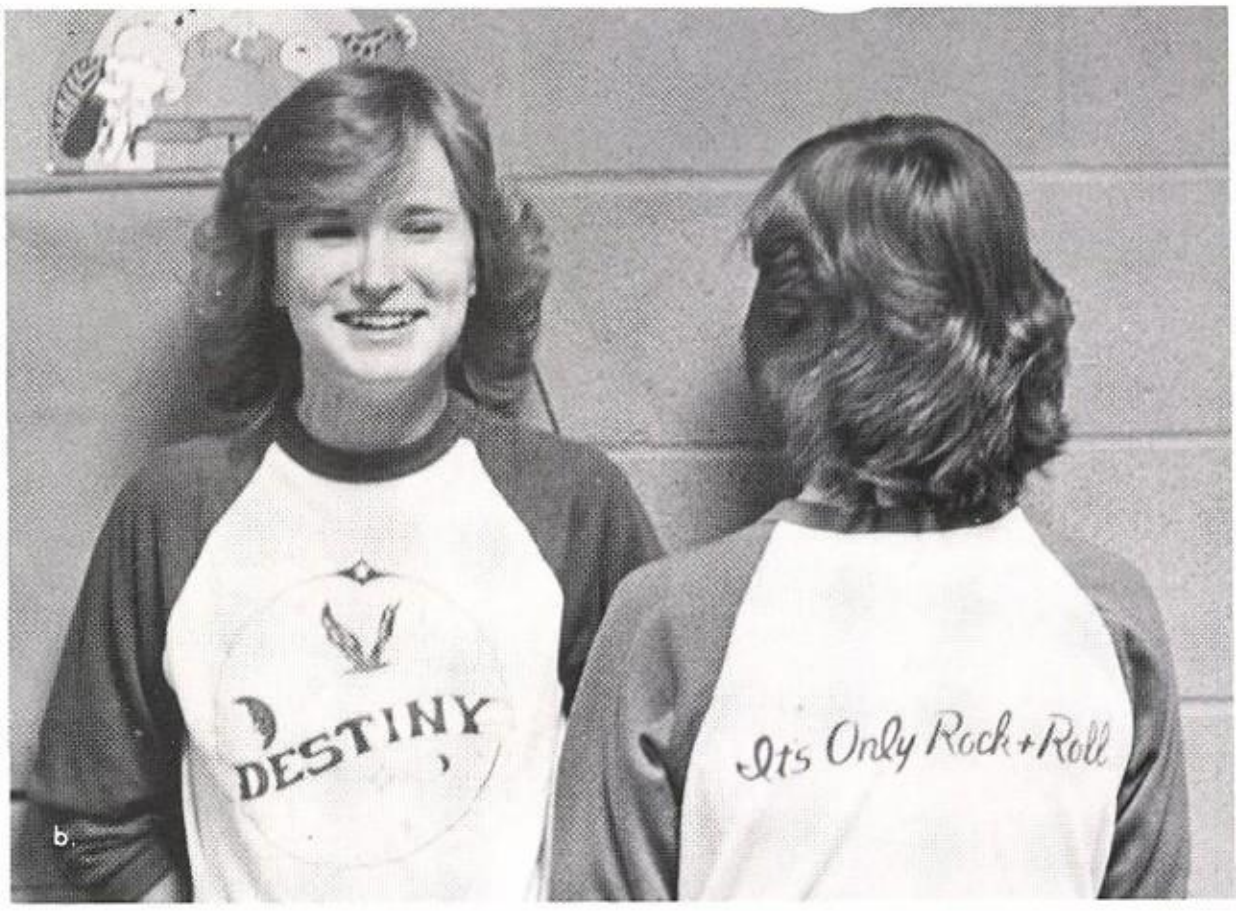
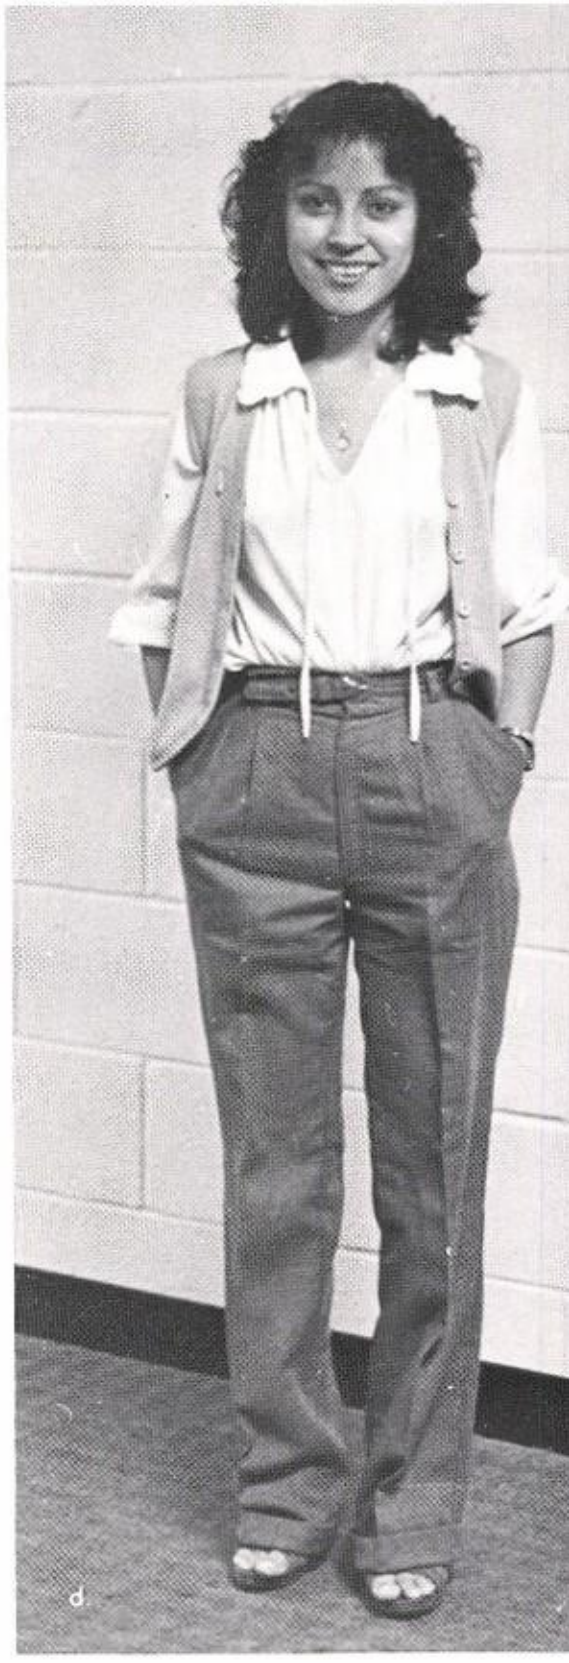
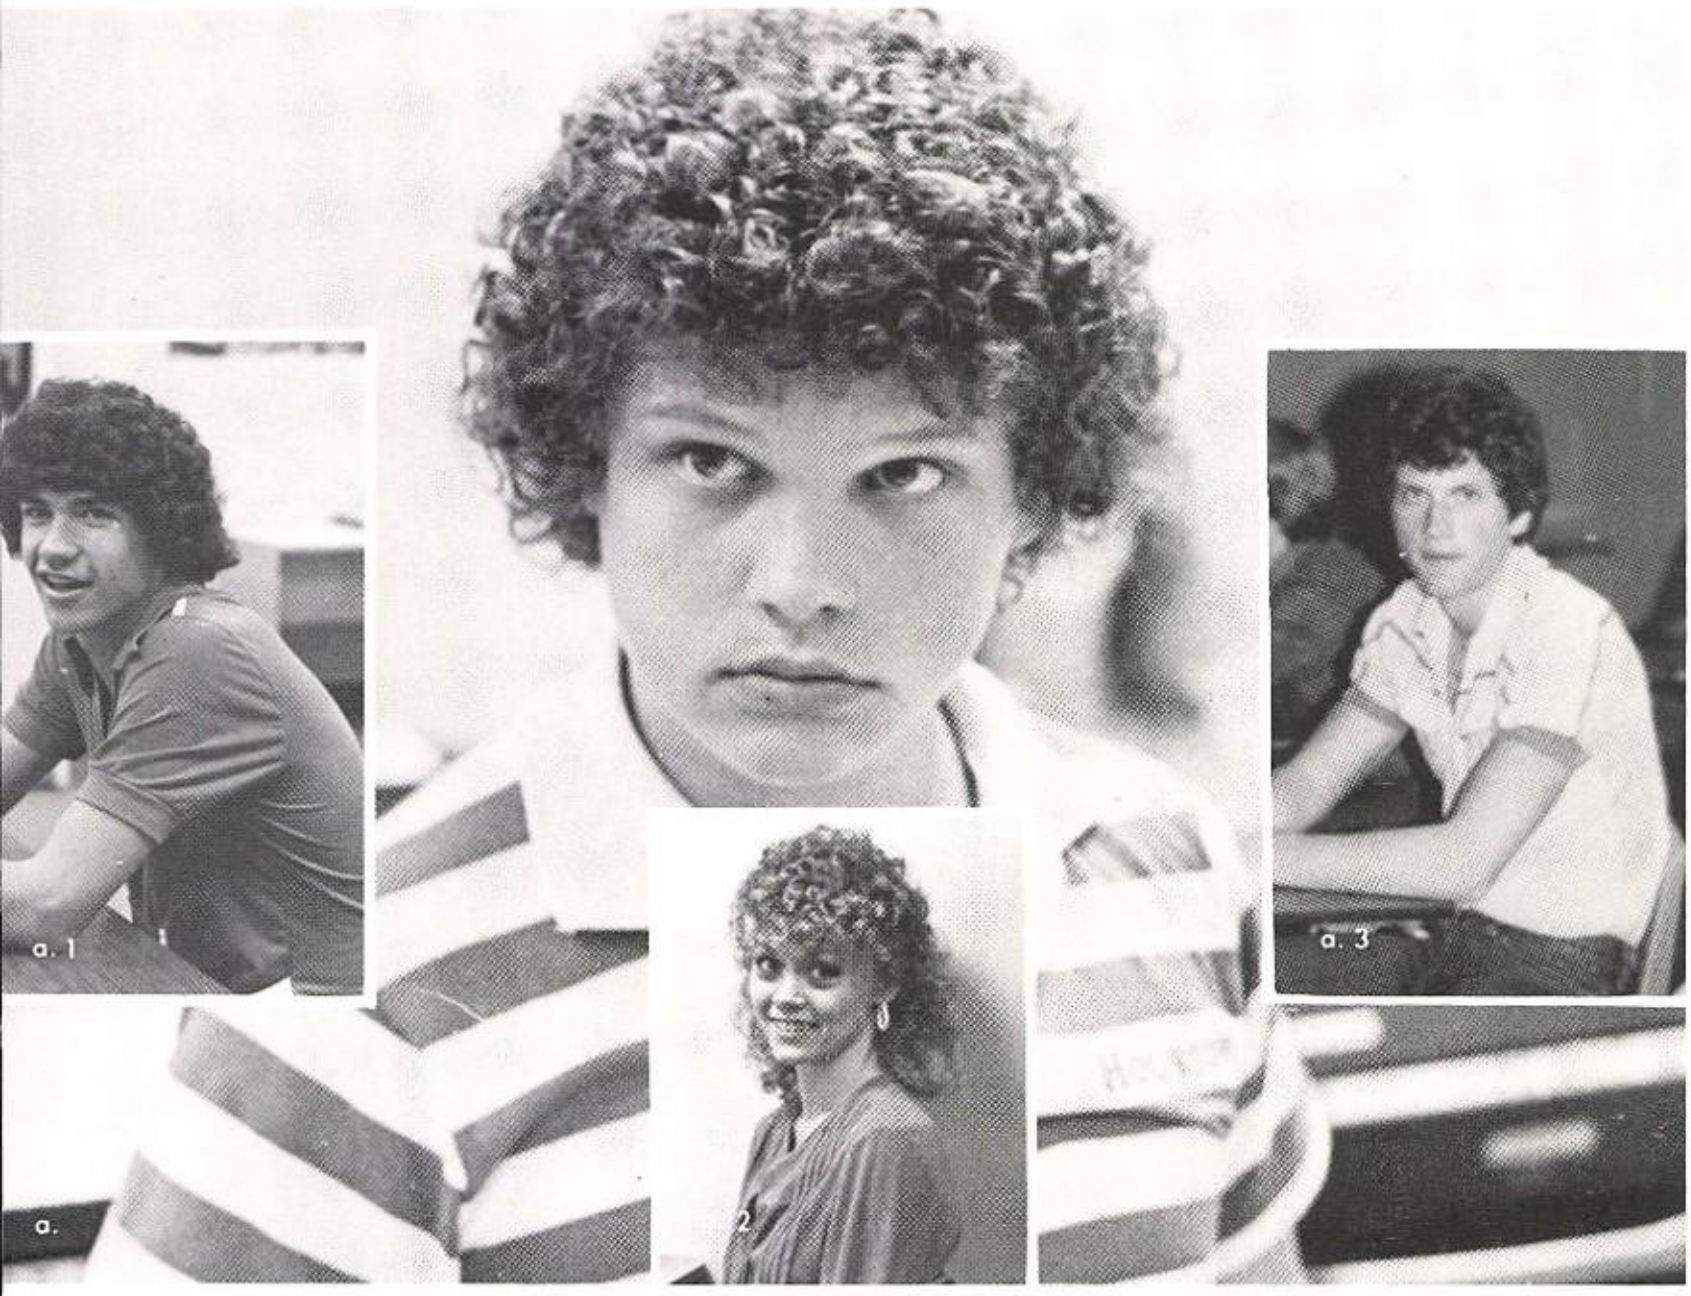
Fashion for 1978-9 has traveled back at least twenty years. The styles include: tight straight leg jeans, big blousing shirts, thin belts, high heel shoes and short curly hair. These fashions are found everywhere in the halls of Jersey Village. Some of the most favorite styles are the high heel clogs, Candies, the silky blousing shirts, tight straight leg jeans, knee length skirts, ankle bracelets, and a crochet knit scarf tied at the ends and draped around the neck.

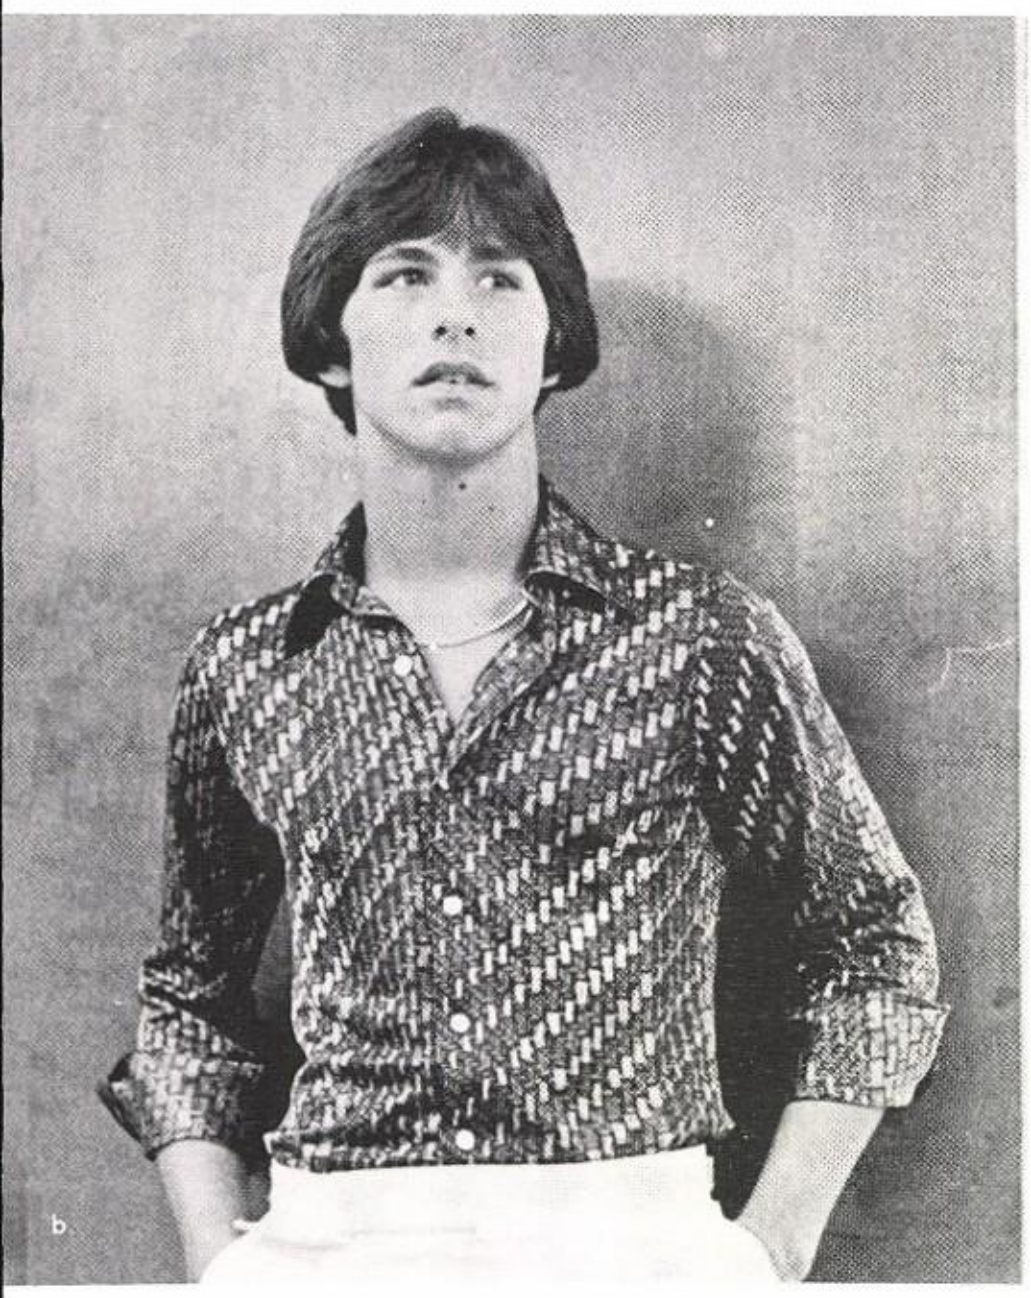
This year a new fad in hair style has confiscated the school. Yes, curls are back and J.V.'s got em! Many girls and guys have turned their hair into little tiny curls. This hair style is very quick and easy to manage. Just wash, towel dry and it's ready to go!





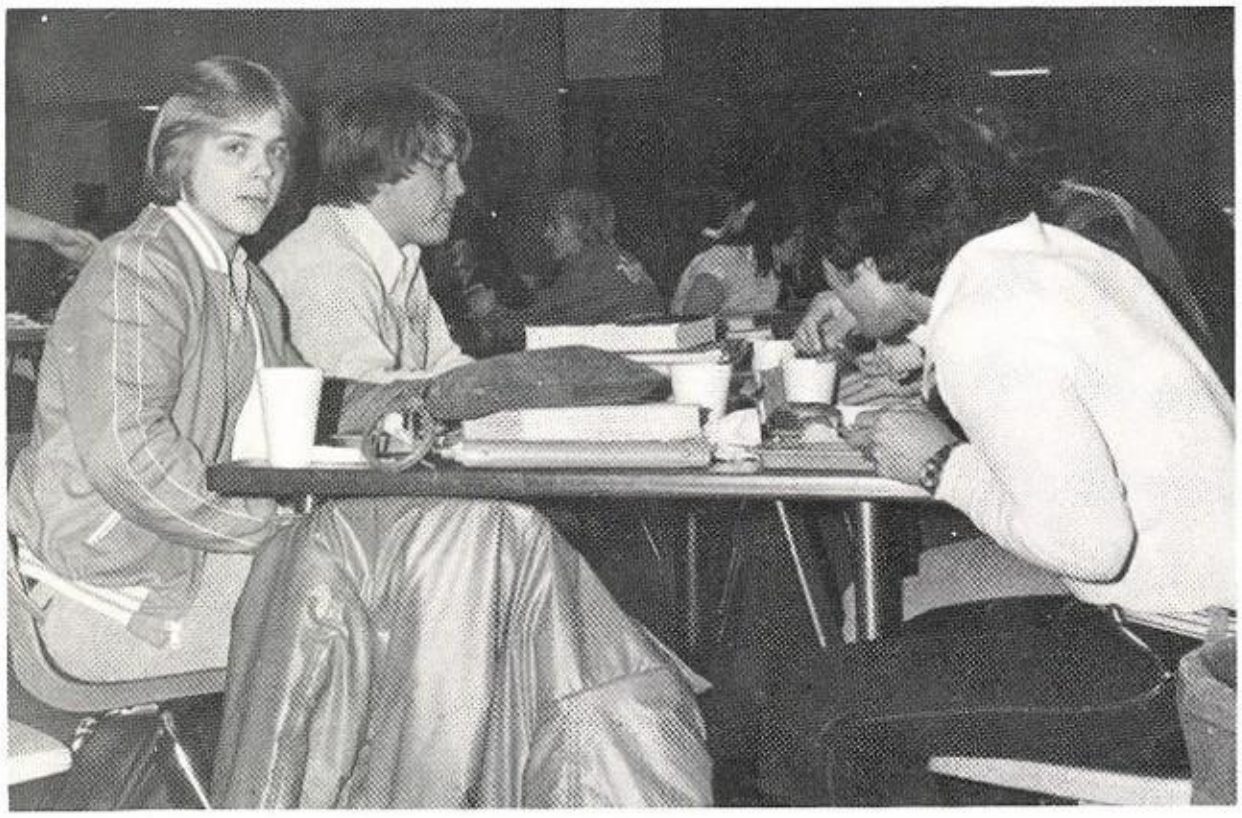
a.) Beth and Nancy Daughtry wear one of the tee-shirts of the favorite high school band, destiny. **b.)** Laura Gaylan is in fashion from head to toe with curly hair, knee length dress, and Candies shoes. **c.)** Debbie Holmes wears a Tunic shirt with vest which is a popular style this year. **d.)** Vests and tailored pants were very fashionable this year and Carolyn Rosas wears them well.

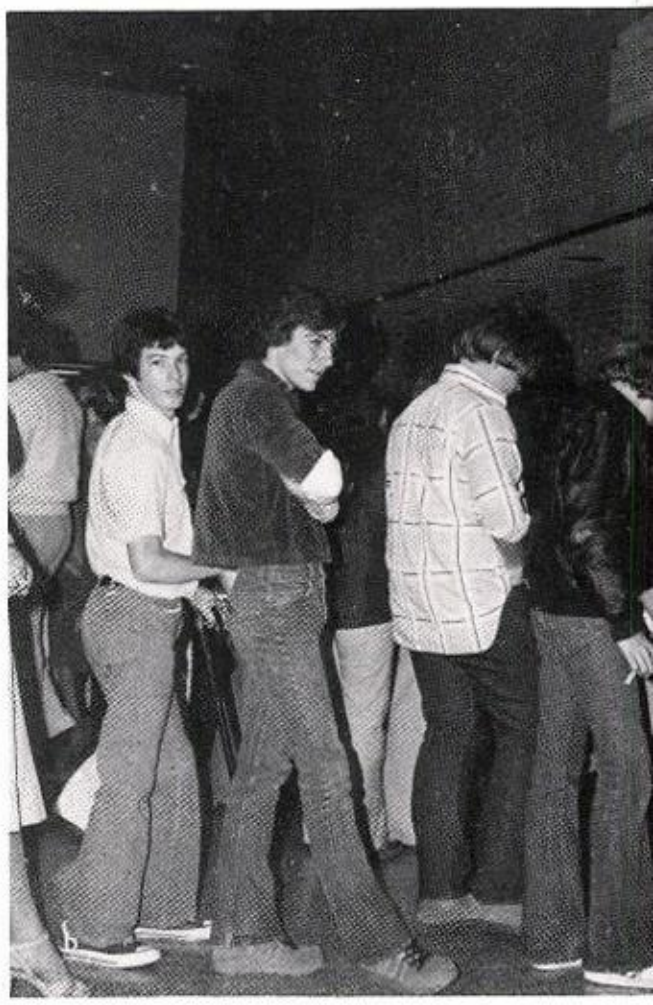




a.) Scott Smith. **a-1.)** Robert Lee. **a-2.)** Susan Evans. **a-3)** Darrell Strothers are just a few students that wear the popular curly look. **b.)** Wearing silk shirt and the ever popular S-chain is Sophomore, Carey Ford.

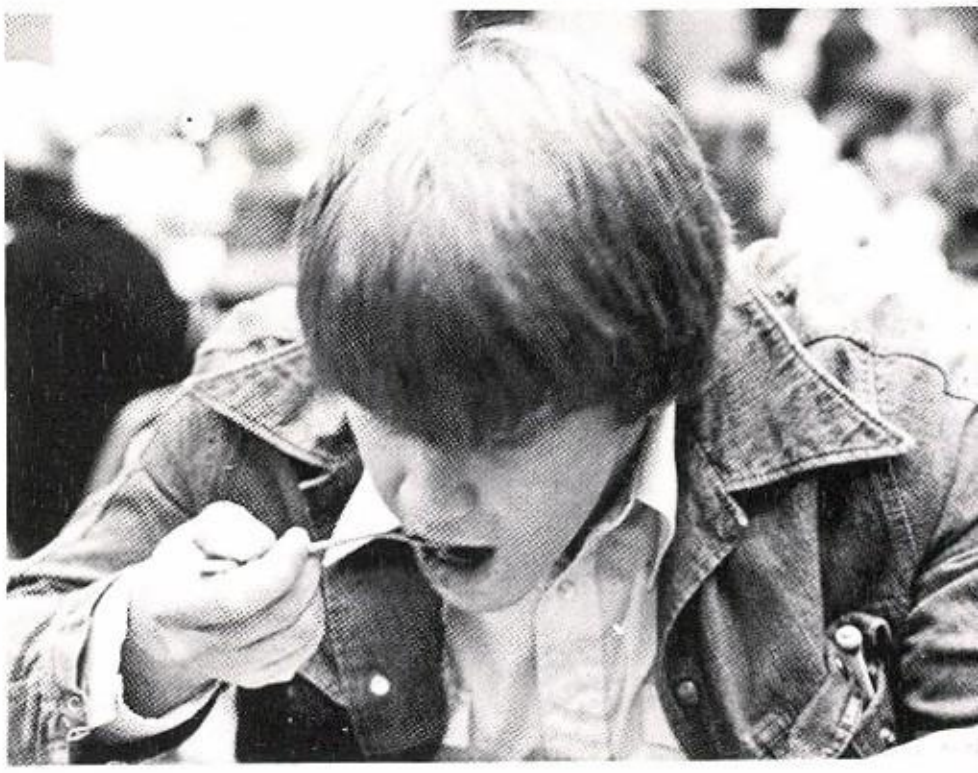
Lunch Is Our Bag!





According to the majority of the students who attend J.V., lunch time is their favorite class! During lunch, students can be found indulging in one of several activities. As can be expected, some spend this time eating; but there are others who choose to use this extra time to talk on the telephone, cram for an exam, or to catch up on the latest gossip. As most will agree, though, lunch is the one part of the day that is looked forward to by everyone!

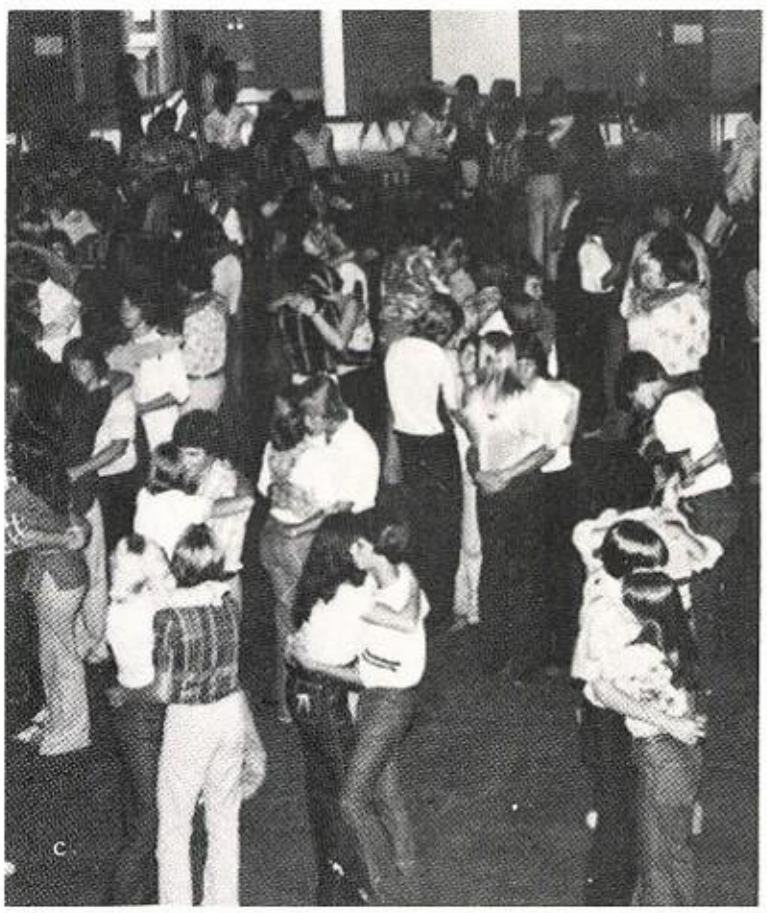
a.) Cliff Maciejeski, Bart Hallmark, and Robert Ojeda don't seem to take lunch too seriously, but could not do without it. **b.)** Perry Fairchild, Mike Daniels, and others courageously await their turn in the snack bar line. **c.)** During lunch, Bart Hallmark's main priority is eating! **d.)** Curtis Engle and Tommy Temple try to relax and enjoy their lunch.



When We Party. .

Everyday after school hours are over, students from J.V. could be found all over town. After Football and Basketball games, students went out to celebrate at several different "hangouts". Some of the favorites included Mr. Gatti's, Huckleberry's, and Pizza Inn. But if they weren't eating pizza and drinking a coke, they were probably out dancing at Tin Hall or Bill Mirez's.

However, after school activities also include many other things. Hanging around Mr. M's, walking home with a friend, cruising around the Village, or wrapping houses. No matter what you might do, chances are it is with a friend, and something you enjoy!



a.) Rusty Ellis, Jill Garrison, Linda Janicek, and Donna Niver make their way towards the bus after a hard day of school. **b.)** Reagan Wrench and Annette Hill get a chance to get away together as they walk each other home. **c.)** Students dance the night away at a dance sponsored by the Senior Class. **d.)** After a Friday night game, Mark Comacho, Kevin Kercheville, Todd Hardy, Donna Pilkinton, Craig Bishop, and Dwayne Bess shoot the breeze and grab a bite at Mr. Gatti's.

Sr's Exhibit Talent Present "Pictures"

In keeping with the tradition of the Senior class, the Seniors of '79 presented their Show-Offs with their usual flare. As the curtain went up, Father Time, portrayed by Kelvin Shephard, unfolded to the audience "Pictures" of the past. The skits centered around experiences and problems most children have while they're growing up. From getting Cooties, to the first trip to the Principal's office, right up to the Prom itself, the skits reminded everyone of times in their life which had held a special meaning. The Show-Offs were sponsored by Mrs. Linda Stice, who helped in the writing of the skits and the designing of the costumes.

Final Sr. Appearance

The final day for Seniors to make an appearance at Jersey Village began with its annual breakfast. The commons was overflowing with hungry seniors filling their empty stomachs with a well prepared meal, served by several Senior Mothers.

Now filled with bacon, eggs, biscuits, juice, and Danish muffins, the group filed into the auditorium to practice their graduation ceremony. All were then checked for any violations of the school dress code.

The stage was set and one more obstacle stood in the way, Diplomas, the hand shake and the Celebrations.

"Never Give Up"

Three hundred and fifty-two nervous seniors met in the tunnel of Hofheniz Pavilion at 6:30 to make final preparations for the graduation ceremony. As the pre-graduates stood in the tunnel waiting for the music to begin, they ask many final questions, "is my hat straight?", "which way Do I turn my tassel?", "Let's shake hands once more."

Then it started, the walk many felt they would never make. All were seated and the ceremony began.

Kelly Turner introduced the guest speaker, Dr. Jarvis Miller, President of Texas A&M. Miller stressed words by Winston Churchill, "Never Give Up". With these words "Never give up", implanted in each graduate's mind, the pain, suffering, worries, good times, and celebrations came to an end.

Jersey Village principal Ronnie Truitt proclaimed, "Seniors I'll now regard you as graduates of Jersey Village High School."

In October the juniors purchased their senior rings from the L.G. Balfour-Taylor Ring and Yearbook Company. Rings varied a great deal both in style and in price. This year prices ranged from as low as $60.00 to as high as $250.00. Like everything else rings go up every year. Four years ago the average ring cost $85.00.

In American History freshman study the Industrial Revolution Assembly Line. From the early 1700-1890's, Americans worked long and monotonous hours. Each year the freshman create their very own assembly line. The teachers assign this exercise to give the students first hand experience of life styles and working conditions during the industrial era.

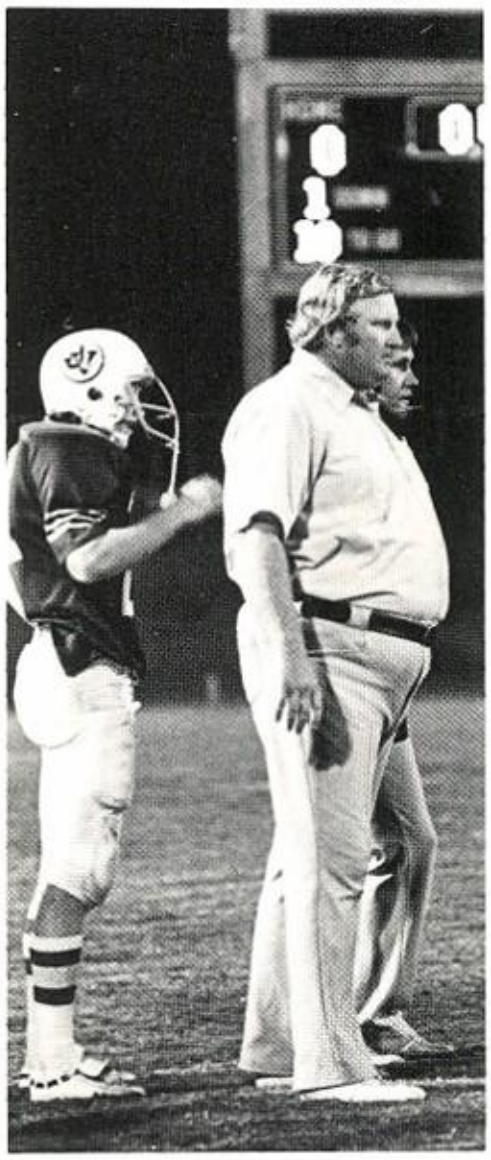
Falcons Tear Up Bobcats, 10-6



Coach Marshall and Varsity player look on in anticipation as the Cy-Fair game starts.

We may not have made playoffs. We may not have won every game. But, for the first time in Jersey Village history we out-scored and out-played, down the road rivals, Cy-Fair, 10-6.

It was a cool night on the twenty-seventh of October when the Jersey Village Falcons played host to the Cy-Fair Bobcats in the Cypress Fairbanks Stadium. Gary Gryder booted the first three points with 11:18 to go in the second period on a 28-yard field goal. With 7:39 left in the half defensive back, Pat Zaiontz stepped in front of a Cy-Fair receiver and intercepted a pass, racing 18 yards for the score. Gryder kicked the extra point giving Jersey Village a 10-0 lead, which the Falcons held through intermission.

The Bobcats scored in the fourth quarter capping a 75-yard, eight play drive. With less than 4 minutes to go, the Bobcat offense started a new drive inside their own territory. Eating up yardage and the clock, Cy-Fair was faced with a fourth and one on their own 48-yard line.

Cy-Fair quarterback, Jeff Nelson took the snap from the center and began to sweep to the left side of the J.V. line. With no warning Nelson shuffled the ball to his tight end gaining a first down, keeping the drive alive.

Some 8 plays later Cy-Fair was again faced with a fourth down, this time on the J.V. 13-yard line, with 8 yards to go. Cy-Fair broke its huddle with 63 seconds left. Nelson dropped back to pass. With the ball in air, a target in sight and the game in hand, out of nowhere weak safety, Gary Gryder came through for the Falcons. Gryder swatted down the ball, with arms like a giant fly swatter. Jersey Village only lacked 54 seconds to become victorious. Winning the game was the climax of the football season. It will be remembered always by both the Bobcats and the Falcons. The memory of the night the "Bobcat fight died."

Our Season

Starting off on a good foot, the Jersey Village Falcons opened the season beating the Scarbrough Spartans in the Cypress Fairbanks Athletic Stadium. Early in the second quarter, quarterback Bob Harvey declined all options and rounded the right side for a 94-yard touchdown sprint. Midway through the fourth quarter, J.V. back Maurice Hurt romped 30 yards for the second Falcon score. This was followed by an extra point kicked by defense back Gary Gryder. The next week the Falcons faced the Alief Bears.

A short Hasting punt set up the only Falcon score as junior r9780,2 quarterback Bob Hary sprinted 27 yards around .th end for a touchdown. Gary Gryder kicked the extra point. The 7-15 loss was the beginning of a five game losing streak which saw the Falcons scoring a total of 14 points during that stretch. The Falcons were shut out by Spring Branch, Aldine, and McCullough, 0-23; 0-43; and 0-29, respectively. The Falcons were able to score once in the Klein game.

October 20th was Homecoming for J.V. The Falcons broke the losing streak beating the Spring Lions, 20-6. The following week the Falcons kept up their spirit to beat our rivals, Cy-Fair. Ending the season the Falcons faced two tough foes, Conroe and Humble. In spite of all efforts, the Falcons were unable to defeat either team.

J.V. Features Slow Season

The Jersey Village Junior Varsity football team opened the season with a 14-14 deadlock with the Scaraborough Spartans. The J.V. offense began to execute with enthusiasm as the Falcons dumped Alief Hastings 22-7 and Spring Woods 24-14.

At this point a district championship looked good. The undefeated season came to an end. The Falcons' were never to taste victory again. The next seven games were defeats to Klein, McCullough, Spring, Cy-Fair, Conroe, Humble, and Cypress Creek.

"Our team was mostly Sophomores. We had to move a lot of Junior Varsity players up to the Varsity." explained Coach Marshall.

The Junior Varsity season was not a total loss. "This is a learning experience for the boys mainly to get them ready for Varsity play."

J.V. Volley to Victory

The Junior Varsity Volleyball team experienced a winning year. Ending the year with 10 wins and 4 losses. The girls really did a good job as they proved to be a power house in the 16-4A race for a 1979-80 championship. In first round action the girls marked 6 wins and 1 defeat. The second round was much different, due to injuries to many of their players. The girls still managed to win 4 out of 7 games, losing only to Klein, McCullough, and Spring.

Trophy Win Changes Season

Nine games into the season the Freshman record stood at 4 wins and 5 losses. Conroe, Cypress Creek, Hildebrant, Humble, and Spring were the five schools handing J.V. defeats. Winning third place at Alvin turned the season for the better. Three of the five teams beating the Falcons on the first half, fell as victims. Co-Coach of the Year

This year Coach Raymond Hall received the honor of being named District Co-Coach of the Year. Coach Hall has been directing the Boys Varsity Basketball Team at Jersey Village for two consecutive years. This year Coach Hall did an outstanding job leading the Falcons to a district co-championship.

In Hall's first year the Falcons were turned completely around. Winning only 3 games in 1977, the Falcons went 16-16 in 1978. The co-champion team of 1978-79 posted a 24-11 record.

Lacking size the Falcons head coach guided his team with a slowed down four corner offense proving the Falcons could and did compete with the best.

Pre-Season

The basketball season started like any other season; with long, hard practices and practice games, with few fans. As the season progressed the fans grew. With the inspiration from the fans the team gained their confidence, along with their ability to play together. Out of the 12 pre-season, non-district games the Falcons won 9, never losing by more than 7 buckets.

In the game against Lutheran, the Falcons blasted through, for a win, 73-29.

With district play less than two weeks away, the Falcons played Cy-Fair for the championship game at the 1979 Cypress Fairbanks ISD Annual Tournament. Kevin McCarthy led all Falcons pumping in 16 points. The Falcons were defeated by the Bobcats 68-48. This 20 point spread was the most the Falcons ever lost by, throughout the season. Having quickness and proving to have the best defense in the state, it looked as though a bright, promising, and successful season awaited the Falcons.

Falcons, 7-0 in 2nd Round

District play started on January 2, 1979 for the Falcons. Traveling to Humble, the Falcons were fired-up and eager to show off what they had been practicing for all year. At the end of the first quarter the Falcons were behind by one point. Henry Kellum helped the Falcons to take the lead in the second quarter pumping in 3 field goals and 2 free throws. The Falcons remained ahead the rest of the game to capture a win 48-36.

The next game, against Klein, the Falcons won 52-40. Henry Kellum was high scorer with a total of 23 points.

The Falcons, then played the spring Lions who trailed the Falcons by only a few points at the end of the first half. In the last half, the Falcons remained on top and won their third district game.

Standing 3-0 in district play the Falcons were hot and everyone knew it. The fans crowded Bobcat gym on January 12, 1979 to watch the Falcons take on the Cy-Fair Bobcats. After a long, hard game the Bobcats came out on top with a score, 42-39. Douglas Whitaker was high scorer for the Falcons, totaling 12 points. Losing by only 3 points, to a team that went to state the year before, was a sign for the Falcons not to lose hope and to keep their spirits up. The next game was a breeze for the Falcons taking a win from Cypress Creek, 52-47.

The Conroe Tigers gave the Falcons more of a challenge. At the end of the first half the Falcons were ahead 22-19. The end of the 3rd quarter left the Falcons behind 24-26. The Falcons lost to the Tigers by a final score of 41-42.

In the last game of the round, the Falcons overcame McCollough for a win 38-33.

Starting the second round of district play, the Falcons knew that they must play well and become victorious in order to win district. The Falcons achieved this, winning 6 straight games, defeating Humble 56-41, Klein 62-60, and Spring 60-46. The Cy-Fair game ended in a controversy. With Jersey Village leading, 29-28 the final buzzer sounded, with a foul called against J.V.

While the Jersey Village fans feeling unsure and the Cy-Fair fans feeling they still may have a chance, the coaches and referees were in conversation about the foul that was called. The Falcons, who committed only 3 team fouls in the 4th quarter, were still allowed 2 more fouls before being penalized. Thus, the controversy was over and J.V. won 28-28.

The Falcons kept going, beating Cypress Creek, 26-24 and Conroe, in a very well played game, 47-43.

Although the Falcons came out first in the second round of district play, to earn the title of District Champs, the Falcons must beat the first round champs, Conroe. The district play-off game was held on February 16, 1979 in the Sam Houston State Coliseum, in Huntsville, Texas. The Falcons couldn't get things together and were behind the whole game. Although the Falcons never lost hope, they were defeated 38-45, but remained Co-District Champs.

Two Routs, Pace Season

The Girls Varsity Basketball Team rounded out the season with a district record with 2 wins and 10 losses. The team was composed of 2 seniors, 1 junior, and 6 sophomores.

To start off district play the Falcons took on the Conroe Tigers. The Tigers romped over the Falcons 109-33. The girls lost the next three games to McCullough, Klein, and Cy-Fair; 33-64, 36-44, and 41-60, respectively. With long practices and team work, the Falcons came through with a win against Cypress-Creek. Pam Roberson led the Falcons, ripping 3 field goals and 5 free throws. The Falcons won 49-33. Losing the next game to Spring, 31-64, the Falcons ended the first round of district play.

In the second round there was a noticeable improvement in the Falcon defense. Holding the Conroe Tigers down to 56 points, the Falcons scored 27. After a tough game against McCullough, in the Falcon gym, the Falcons were defeated 25-53. Keeping their spirits up, even through defeat, the Falcons came through with a win over Klein.

Trailing behind all the way through the 3rd quarter, the Falcons made a sudden comeback to take the lead in the 4th quarter. Sophomore Pam Roberson was high scorer with 23 points. Nancy Daughtry and Janice Raney each scored 6 points. Julie Doxtad ripped a field goal and a free throw and Gwen Baily helped out with a field goal in the 1st quarter. The last 3 games went dead for the Falcons losing to Cy-Fair, 20-55; Cypress-Creek, 32-35, and Spring, 35-57.

The Falcons will have 7 members returning to the team next year and are looking forward to a brighter season.

"Preparing the boys for varsity competition is our main goal," said first year coach Don Schmitt. "Our team did a good job this year. We beat some teams we weren't supposed to have beaten. I think that shows great character," replied coach Schmitt. The season record was 12-18. Although the record doesn't show the way the team played, they did managed to win the consolation trophy at the Cy-Creek Junior Varsity Tournament.

Playing with mostly sophomores the level of competition was much more challenging. The young Falcons met this challenge head on, never getting blown out of the gym. The most points J.V. ever lost was to Sam Houston when the Falcons were defeated 66-51. Early in the year the young Falcons defeated Lutheran 86-36.

In the first round of district the Falcons managed two victories, one over Conroe and another over rival Cy-Creek. In the second round of district, the determined Falcons bulled their way to three victories. Conroe, Cy-Creek, and Humble fell into the Falcon victory cage.

The Junior Varsity basketball season was successful. The young Falcons worked hard and learned many valuable lessons in order to be a varsity competitor for next year.

Only One Win for J.V. Girls

The Junior Varsity Girls Basketball team had a disappointing season. Winning only 1 of 30 games, the girls were outclassed and outplayed. Moving to Varsity, the chances for improving the season record are hopeful. Hard work and practice will help the girls to become a contender.

Falcons Shoot to First Place

The Freshman A basketball team produced one of its best seasons in the history of J.V., with a 21-6 season record. The boys claimed the Freshman A 16-4A title. Winning 16 and losing two bouts, never losing more than two games in a row. The Freshmen racked up two long winning streaks of nine and eight games.

After two straight losses near the end of the season to Strack, 35-30 and to Cy-Creek, 40-31, the district title seemed to be darkened.

Two games stood between the Falcons and the title. R. A. Stevens paced J.V. past Conroe with 26 points in the first obstacle. A win over Spring aided by a Cy-Creek loss, the Freshman A basketball team clawed the district title.

Following two straight losses the Falcons flew back to pound Conroe 48-34. These players hit in double figures, Pat Behn led ball scores with 14, Allen Lopez hit 12, and Billy Cox sank 11.

The last two games of the season left the Freshman team with promise as the Falcons captured a win over Humble 53-44 and Cy-Fair, 53-48.

Lee 27-23 and Pearland 24-17. The next three wins were staggered by losses to Conroe and McCullough.

The final victory in the first round came in a blow out over Cy-Fair, 45-23.

The girls opened the second round of play against Hildebrandt popping the net for 46 points and a victory.

The final nine games were disastrous, losing eight games in a row. The only game that brought the teams head above water was the second straight Bobcat lashing 27-21.

Swimmers Increase Strength

The Jersey Village Swim Team consists of over 40 participants, who all think highly of the team, the sport, and the coach, despite the lack of school support.

With devotion from the swimmers, the Jersey Village Swim Team has brought itself up to four substantial winnings in the earliest part of the season. Much of the credit goes to Coach Jim Gerald, a graduate of Angelo State University.

Gerald has brought the team from a menial 25 member team last year to one of the strong standings this year. Gerald claims, "We're much stronger this year because of the increase in the number of swimmers. Those added swimmers really made a difference when points are tallied at the meets."

The weekend of January 26, eight of the team members swam at the T.I.C.A. competition in San Antonio, a state wide annual event for high school swimmers. These team members were: James Carter, Dana Honganen, Kim Dopyera, Maureen Pitscel, Leslie Leland, Rod Medly, and divers: Mack Scott and Jim Romeg. "I was pleased with the results," says Gerald. "The team has a lot of promise. I think we will do even better next year if we get more school support."

Track Runs on

This year head track coach Tom Fitzgerald and assistants Mike Day and Frank Daniels were faced with a dilemma. There were no seniors returning to run varsity track with only 14 sophomores and juniors wanting to run.

Coach Fitzgerald took his troops to several varsity meets but found the competition too great. Fitzgerald decided to drop to the junior varsity level for a rebuilding year. Throughout the remainder of the year they ran against teams with four, five and sometimes even six times as many members. The move proved to be successful as the cindermen finished fourth at Klein, third at the Humble-Spring meets and third in the District meet held in the Woodlands.

The varsity baseball team did not win as many games as they would have liked to have won. The Falcons looked impressive at the beginning of the season but dwindled out towards the end of the year. However, the team continued the new Falcon tradition of beating the Bobcats. The pitching staff consisted of seniors Doug Skarpa, Doug Williams, Pat Zaiontz, and sophomore Randy Hanscom. The strong infield was led by seniors Robert Lee, third base; Pat Zaiontz, shortstop; and juniors Danny Broadway, first base; Donald Doss, catcher; and sophomore Mike Brown, second baseman. In the outfielders for the Falcons were three juniors: Johnny Aguilar, left field; Chuck Clinkscales, center field; and Rod Warmke in right field.

JV Baseball Wins the Aldine Tourna-ment!

Although the Junior Varsity Baseball team's season wasn't outstanding, it did have its highlights. Earlier in the year they competed in the Aldine tournament. The Falcons beat Aldine Nimitz 11-1, Aldine Eisenhower 12-6, and Strake Jesuit 2-1 to finish first. This was the only tournament win for JV this year. JV also defeated Cy-Creek 14-6 and 4-1, and Cy-Fair 4-3. The Falcons finished the season with the record of 10-10.

The Spring game is an annual game played between two teams, the Purple and the White, composed of Varsity football players for the coming season. The Purple team consisted of the first string offense and the second string defense; the White team was the second string offense and the first string defense. The Spring game mainly provided the players with personal satisfaction, but it also gives the coaches a chance to see their future team in action. The game took place at the Cypress Fairbanks stadium and was equipped with Cheerleaders, the Band, and the Gold Dusters. The Purple team overpowered the White team beating them 32-8.

The House

The Student Congress was formed to aid the students of Jersey Village High School. Congress members act as a go between from the student body, Mr. Truitt, and the school board. This year the Student Congress was able to get a bill passed stating: a dance is no longer considered a major fund raising project. This enables any organization (if so desired) to sponsor more than one dance per school year.

The Student Congress also helped to provide a Homecoming dance and the half-time festivities.

Potpourri Des Art First J.V. Magazine Published

This year for the first time at Jersey Village High School a magazine called Potpourri- Des- Arts was published. Potpourri-Des-Arts is a medley of various arts — poetry, photography, and arts — created by Jersey Village students. The magazine was a tremendous success. It was sold in April and May for $2.25. The magazine will be published twice next year; and hopefully, will be published quarterly. The quality and quantity of the Potpourri-Des-Arts is dependent on the amount of work contributed by the students. The sponsors for this year were Sandra Little, Sue Sigman, and Bill Droemer. The editor — Renee Windt.

German Club Receives Honors

The German Club, a well established organization at J.V., had a very active year. It began with their attending the Oktuberfest celebration at the Old Heidelberg Inn. While served German food, they were entertained by a live oom-pa-pa band. At Christmas time, they held a party at one of their member's house, and also had a Cookie Bake-Off contest, which was judged by the officers. Later in the year, they took their play Ashenputtle to competition at Klein and Sam Houston, and held their traditional German breakfast. To raise money, they sold German candy, which was very popular around campus. In May they had their annual Awards Banquet, in which members received scholarships to summer camp. Some members even received the honor of being published in Tags, a monthly German newsletter. The 1978-79 officers were President Blaine Bosse, Vice President Renate Paul, Secretary Renate Gray, Treasurer Paige Bledsoe, Projects Chairman Paul Sorenson, and Historian Debbie Fromenthal.

Seniors Investigate Capitol

What is the best way to learn something? Examine it first hand. That is exactly what a group of seniors in government did. They took a trip to Washington D.C. in January to discover how our government really functions. The group visited the capitol and Congressman Bill Archer arranged a VIP tour of the FBI building. Seminars were also included in the trip. Side trips included attending a production of "Funny Girl", and seeing the famous Hope Diamond.

Peregrine Reports the News

The newspaper staff works daily to produce a monthly newspaper called "The Peregrine." "The Peregrine" is sent to various schools in Houston, Texas and even one to Madison, Wisconsin.

Selected staff members traveled to Austin in March for the (ILPC) Interscholastic League Press Conference. This conference provides valuable information concerning newspapers and reporting.

During the summer the staff attended the Sam Houston State University workshop. This workshop and others like it are helpful in preparing them for UIL.

"The Peregrine" staff works hard to cover as many school activities as well as state, city, and national news.

At the UIL district wide contest staff members compete in feature writings, headline writing, news writing, and editorial writings. Students can only enter two events and no more than two in one event. Journalists receiving a 1st or a 2nd move to the regional competition.

One of the most involved student organizations at J.V. is our drill team, the Gold Dusters. Precision dance is their specialty. Under the direction of Mrs. Donna Boyce, the Gold Dusters performed at football games, basketball games, and kept the crowds yelling at pep rallies.

The highlight of the year for the Gold Dusters was winning a sweepstakes trophy at the Gulf Coast Regional Drill Team Competition. To win a sweepstakes award, a team must receive a superior rating in each routine performed. The Gold Dusters succeeded in doing this. To round up their year as a group, the Gold Dusters put on a successful Spring show.

Many hours of after school practice must be put in for each performance.

There is a great deal of responsibility involved in being elected a Varsity Cheerleader. Step Latter Mount

After seven days of learning new cheers, techniques, and pom-pon routines, the cheerleaders brought home all superior ribbons. Throughout the year the cheerleaders performed at football, basketball, baseball games, and pep rallies. As the year progressed, it proved to be a little unlucky for the cheerleaders in the form of bodily injuries. While practicing for the Homecoming game, Tami Pribilski broke her leg. This was not the only injury to occur. At the last football game of the season, Sandra Warmke lost her footing which left her arm in a cast for four months. Although the cheerleaders had rough times without Tami and Sandra, they never let the spirit and support fade.

Actors Claim Sweepstakes

This year the Drama Department is under the direction of a new teacher, Mr. C. Lee Turner. Coming to J.V., Turner had built one of the best forensic departments of the state. The J.V. student production of Turners *Joy, Joy, Joy* was one proof of Turners credit. The players performed the play for the student body just before the Christmas holidays.

"We're off to see the Wizard" was ringing in the hearts of all who attended the musical rendition of *The Wizard of Oz*. The star role was played by Angela Warton. Her co-stars were Jerry Cooley, Frank Flack, and Tim Mayes. This group of talented students not only perform for your enjoyment but also for personal achievements.

15 Singers Selected to All-Region Choir

The 1978-79 school year was both eventful and successful for the Jersey Village Choirs. In October, twenty-five students auditioned for membership in the selected All-Region Choir and fifteen Chorale members were selected, the second highest total among thirty-three schools who entered students in the competition. These students competed in the Region Choir Festival Concert in January in Conroe.

December was crowded with many concerts and events. The Concert Choir performed at a rest home and three elementary schools before presenting a public concert. Members of the Chorale sang for the Cy-Fair Administrators, Greenspoint and Town and Country Shopping Centers and at the Hyatt Regency Hotel prior to its public Winter Concert at Jersey Village.

Later in December the Chorale presented a sparkling performance of the Christmas Opera, *Amahl and the Night Visitors* . . . a portion of which was shown on television on Christmas Day.

Kenneth Cordray became a member of the Texas All State choir in January. In February thirty-three students won first division honors on solos along with two trios, two madrigals and a medium ensemble. Jersey Village students won a total of 76 medals, tops by a considerable margin in the Cy-Fair district. Twenty-two of the soloists qualified for the State Solo and Ensemble Contest at the University of Texas in Austin.

In March the Chorale reached the ultimate of achievements; that of winning three Sweepstakes Awards with Girls, Boys and Mixed Choirs. The Concert Choir did well, receiving a second division rating in Concert performance.

In May, the Chorale climaxed a successful year with performances at the Buccaneer Festival in Corpus Christi, Texas, competing in all three choir classifications. Tapes are being sent to American Chorale Directors Association screening committee for a possible performance in Little Rock, Arkansas in March, 1980.

Performances Outstanding

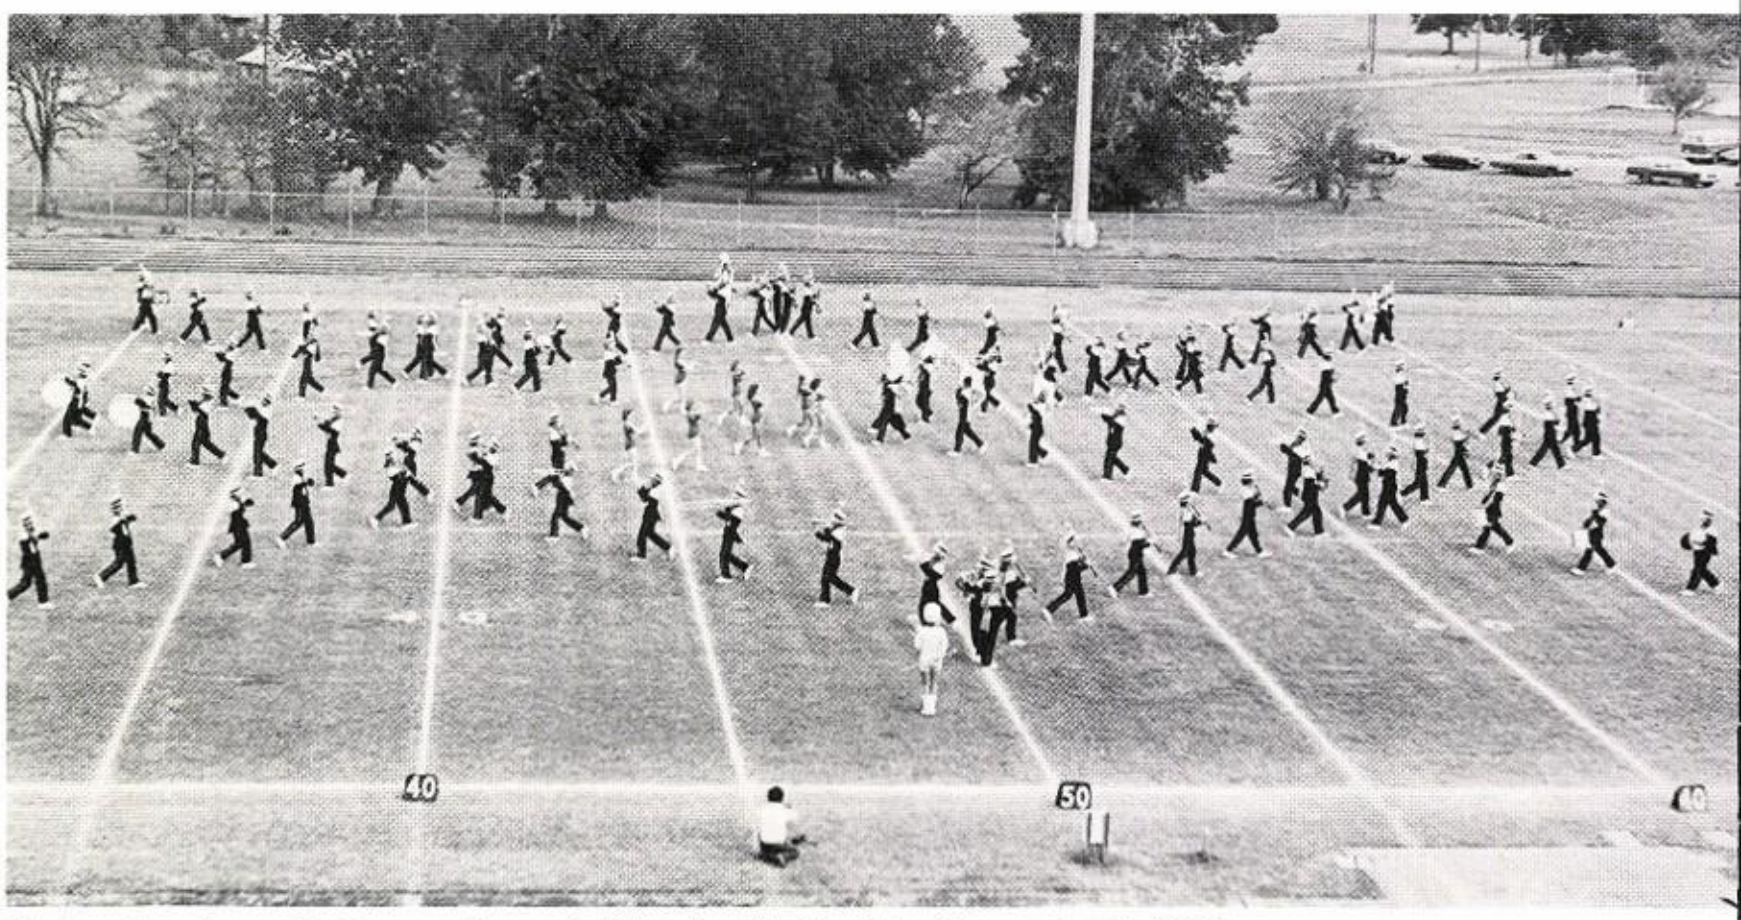
Precision marching and accurate tuning pace the Jersey Village Fighting Falcon band from half time shows to the University Interscholastic League Concert Contest.

The band works hard every afternoon in order to perform at every Falcon football game. Later in the year they attend UIL Concert Contest to be judged on their ability to play as a group.

Selling candy and spirit hats the band made enough profit for a bigger and better banquet. The banquet was held at the Pine Forest Country Club March 30th. February 16th the Band went to Dean to perform a concert. The purpose of the concert is to recruit a large number of the eighth graders.

A number of band members attended the UIL solo and ensemble contest. This enables the students to be judged on their individual talent. Those receiving a 1st division get a medal for their achievements. Members who play a 1st class number and receive a 1, get a chance to go to State Contest in May.

Judy Eason, only girl trombonist, slides to the rhythm.



The band performed its famous diamond drill at the UIL Marching Contest held in Willis.

Twirlers Roxann Herrin, Christi Sluka, and Brenda Regiene are all smiles after being commended on a half time performance.

Falcons,

We want to thank the administration and the faculty for having the patience to work with us to make this yearbook a success. Coming onto the yearbook staff brand new this year, we all worked extra hard to make this yearbook one to remember. Our advisor, Mr. Wesley Zirkel, had patience and understanding with all the questions and problems which arose. We have had many problems making decisions, but have always been able to work something out. We have always had a good time while working long hours and becoming better friends. We hope you enjoy looking at and reading this yearbook as much as we have enjoyed putting it together, both now and in the years to come.

Tammy Morgan

Co-editors,

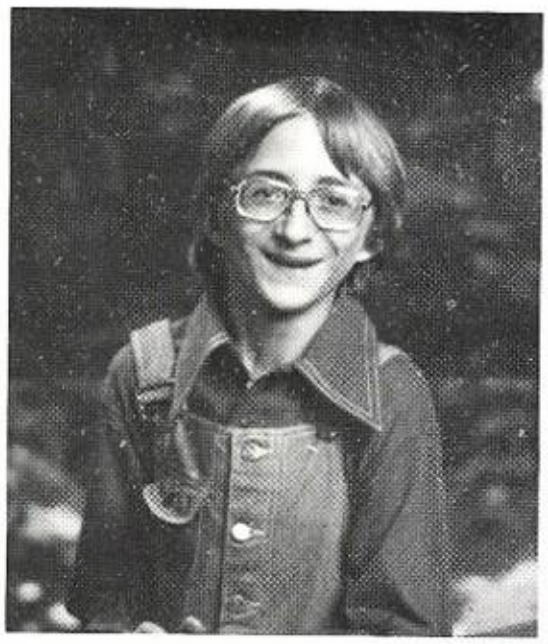
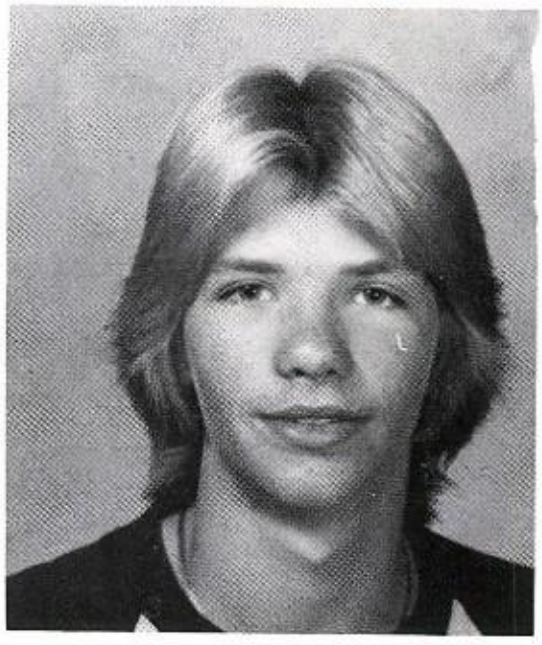
Dedication



Frank (Purp) Majorwitez



Greg Boatman

The Falcon yearbook staff would like to dedicate this book to two of Jersey Village's students, Frank (Purp) Majorwitez and Greg Boatmen, who during the course of the year lost their lives.

COLOPHON

The 1979 Falcon is produced by the Journalism Yearbook staff of Jersey Village High School. It is printed by Taylor Publishing Company, 1550 W. Mockingbird Lane, Dallas, Texas, P.O. Box 597; with a press run of approximately 900 copies. The cover is Thermo Screen. The paper is 8 lb. enamel. All body type is 10 point solid and the captions are 8 point solid. The heading type for Endsheets and Division pages is the staff's own design. The chief heading type throughout the book is Palatino Bold. Many headlines are artwork designed by the students.

The 1979 Falcon is a member of the following: Interscholastic League Press Conference, Texas High School Press Association, Quill and Scroll, and Columbia Press Association.

The Falcon staff would like to thank our principal, Mr. Ronnie Truitt, for his understanding and compromising attitude throughout the year; Mr. Gary Frank, our Taylor representative; Mr. Bill Droemer, photography teacher, for his help with color pictures.
